

FALL 2019 IAMT CMTE:

More Boom for Your Buck:

Using modern technology for clinical and business practices

Presented by Courtney Wrubel, MT-BC and Jeffery Wolfe MM, MT-BC

What: Participants will gain an in depth understanding of current trends in music technology software, apps, electronic health records for clinical and business practices. Participants will be invited to engage in a group process to encourage the use and understanding of software and recording technology for their current practice.

Topics include how to use Garageband and other recording technology and clinical applications, and using technology for assessment, data collection, and documentation. CBMT Board Certification Domains were considered in the development of this workshop and are directly related to the course objectives.

Where: Institute for Therapy Through the Arts

2130 Green Bay Road

Evanston, IL 60201

When: Sunday, October 13, 2019 11:00AM-5:00pm

Who: Open to all MT-BC's (members and non-IAMT members), interns, & students.
