

The Mary Ann Ferolo Internship Scholarship

One of the founding members of the Illinois Association for Music Therapy 50 years ago, Mary Ann Ferolo believed in the power of music therapists coming together to connect, network, and learn both together and from each other, and to advocate for our profession. Mary Ann had a passion for education and training future music therapists in Illinois. It is IAMT's great honor to name the internship scholarship in Mary Ann's memory and legacy.

What is it? A one-time scholarship opportunity for Illinois music therapy interns
